DETAILED ACTION

Examiner confirms that Applicants elected to prosecute Claims 1- 27 and have withdrawn Claims 28-45 without prejudice, according to Response to Restriction Requirement dated 10/4/2004.

Oath/Declaration

The oath/declaration filed on 10/02/03 is acceptable.

Information Disclosure Statement

This office acknowledges of the following items from the Applicant:

Information Disclosure Statement (IDS) filed on 10/2/03 and made of record .

The references cited on the PTOL 1449 form have been considered.

Specification

The specification has been checked to the extent necessary to determine the presence of all possible minor errors. However, the applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

Examiner's Amendment.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Cancel Claims 28-45.

Change the title to read – METHOD OF FORMING MEMS DEVICE --.

Reason for allowance

Claims 1- 27 are allowed. The following is an examiner's statement of reason for allowance:

Set of claims 1-14: None of the references of record teaches or suggests the claimed Method of forming a MEMS device having the step of forming a first element over the substantially planar surface of the first sacrificial layer, including communicating the first element with the conductive material through the first sacrificial layer and among other steps/limitations as claimed in independent claim 1.

Set of claims 15- 27: None of the references of record teaches or suggests the claimed Method of forming a micro-mirror device having the step of forming a hinge element over the first layer of sacrificial material , including communicating the hinge

element with the conductive material through the first layer of sacrificial material and among other steps/limitations as claimed in independent claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dung A. Le whose telephone number is (571) 272-1784. The examiner can normally be reached on Monday-Tuesday and Thursday 6:00am- 4:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Nelms can be reached on (571) 272-1787. The fax phone numbers for the organization where this application or proceeding is assigned are (703) 872-9306 for regular communications and (703) 872-9306 for After Final communications.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you
